

# THE FABRICATOR

## EDITORIAL GUIDELINES AND FEATURES

Here you will find a list of *The Fabricator's* core features for 2026.

Each month we also run topical features which are either researched and written by our editorial team or commissioned from external writers.

We are always happy to discuss feature submissions with potential contributors. We will require a brief synopsis of the feature idea by email to the editor along with full contact details.

We would be obliged if contributors also provide suitable photography and/or illustrations.

GLASS & STRUCTURAL GLAZING

It's crystal clear,  
there's no limits

Hull-based EYG Commercial has officially completed the glazing installation on the city's new 'Monocle' development... and says, 'It has been a job which has not only generated a feeling of great pride but also demonstrated the firm's industry-leading skills.'
