Editorial Guidelines & Features

Please direct correspondence and feature synopses to brian.shillibeer@profinder.eu

Please direct press releases to installer@profinder.eu

Here you will find a list of The Installer Magazine's core features. .

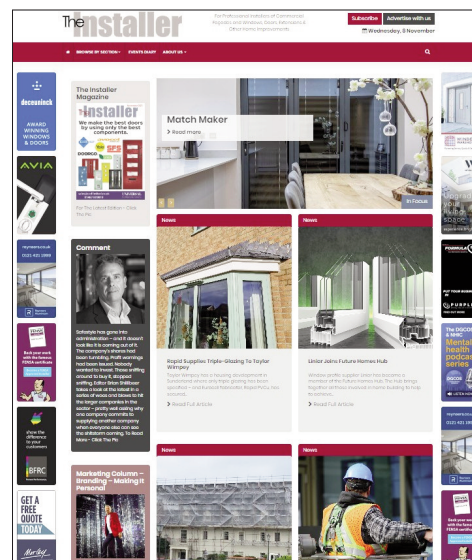

We commission articles and accept submissions. We are always happy to discuss submissions with potential contributors. We will require a brief synopsis of the feature idea by email to the editor along with full contact details.

We would be obliged if contributors also provide suitable photography and/or illustrations.

TheInstaller.pro sources news from the industry and from outside the industry.

We believe those writing for us deserve maximum exposure and thus features first published in the Magazine, are subsequently re-purposed to appear on TheInstaller.pro

The Installer is the only industry publication that runs externally sourced features specifically on business best practice principles covering everything from insurance through to health & safety and training.
